TOKEN BOARD

10 spaces for butterfly tokens

I am working for: _____

ABA Butterfly | Personal, family and classroom use. Not for resale.

BUTTERFLY TOKENS

10 cut-out tokens for your token board

Choose a small goal and reinforcer together. Place its picture in the board's blank box.

Explain how tokens are earned. Give them promptly, keep earned tokens, and follow through.

Keep help, breaks, comfort and basic needs freely available. Adapt or stop if needed.

Adult preparation: cut along the dashed outlines. Avoid small pieces for children who mouth items.
